## **Scott Heinlein Named Technical Services Representative For Dahle North America, Inc.**

*Peterborough, NH, February 2, 2016* – Dahle North America, a world leader in professional paper cutters, shredders, and office products, welcomes Scott Heinlein as their new Technical Services Representative. In this role, Heinlein will be responsible for diagnosing and repairing Dahle products, monitoring quality control, and providing technical support to Dahle customers.

“Scott is enthusiastic about Dahle products. He’s excited to learn how to take them apart, and put them back together,” said Seth Porter, Service Manager at Dahle North America, Inc. “His background in electronics and robotics makes him a welcome addition to Dahle’s Service Department.”

Scott is finishing his degree in Computer Information Technology at Southern New Hampshire University and lives with his family in Mont Vernon, NH. He is passionate about electronics and mechanics, and participated in the F.I.R.S.T. robotics competition for four years. In his free time, Scott enjoys home brewing his own beer, and sharing his creations with friends and family. He also enjoys reading and video games.

Dahle North America, Inc. is a fully integrated manufacturer of innovative office products and equipment with a brand name recognized for quality and precision. Dahle markets more than 300 products, including paper shredders, paper cutters and trimmers, scissors, pencil sharpeners, and Novus staplers.
