

NEED TO DESTROY MORE THAN PAPER?

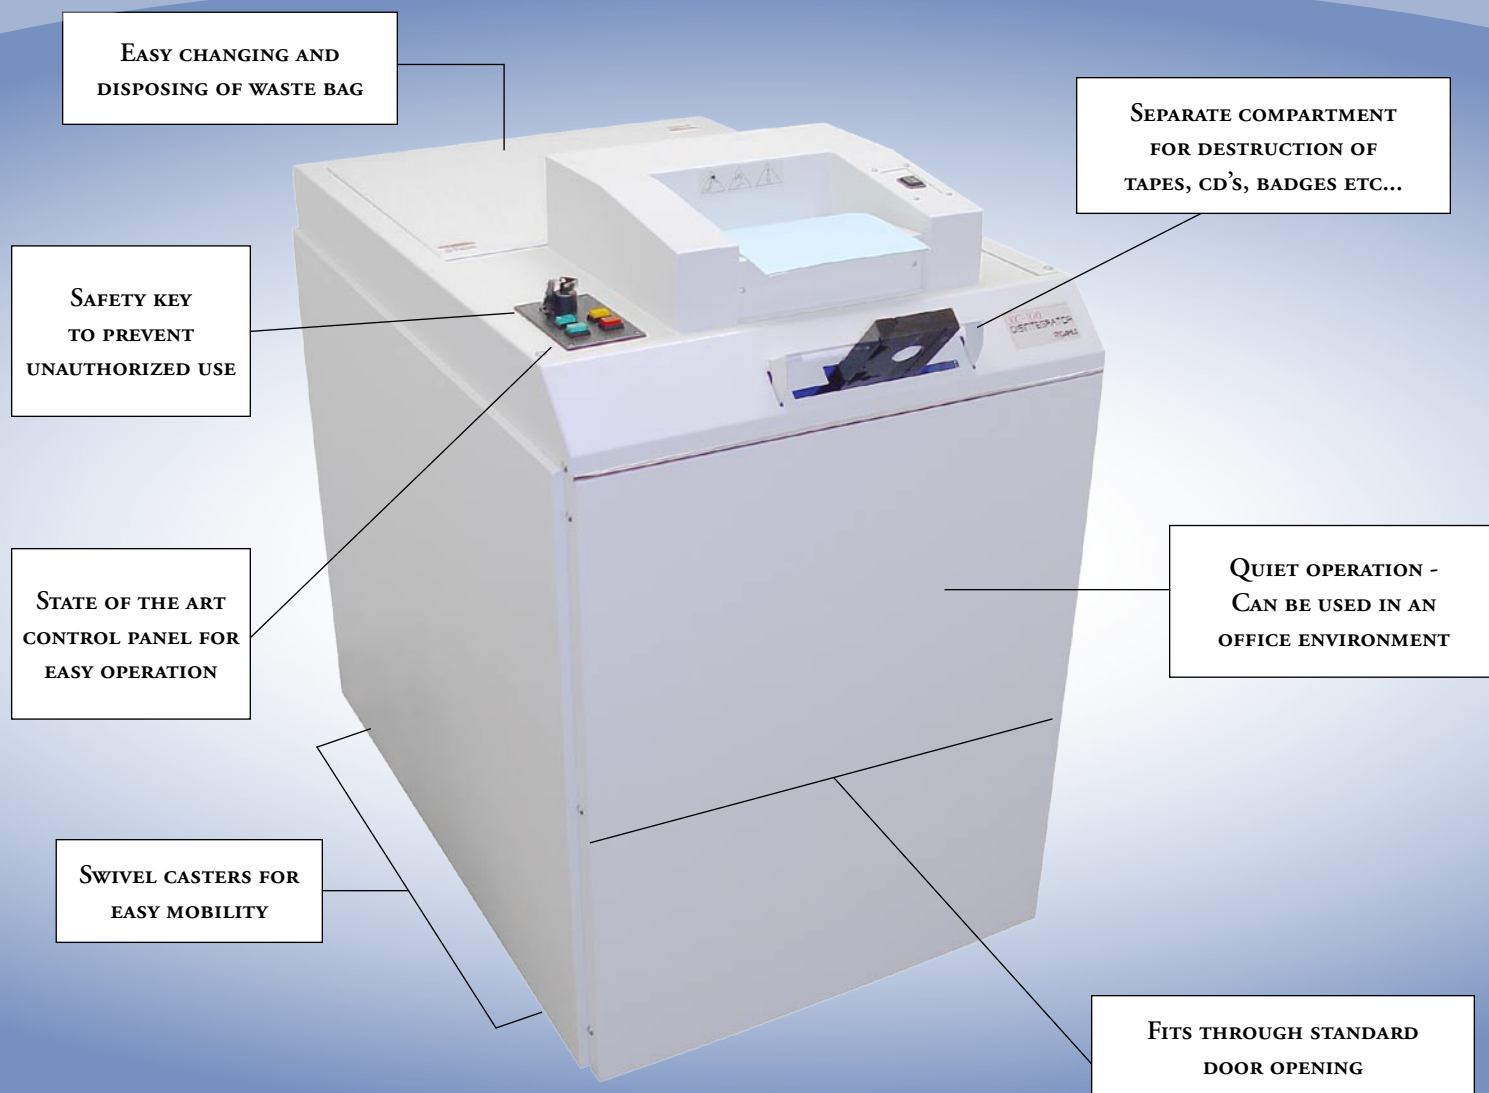

XC-100 **DISINTEGRATOR**

Sensitive data comes in many shapes and sizes and it only makes sense to have one machine that destroys it all. Dahle North America's new XC-100 is a paper shredder and disintegrator in one self contained unit giving you the ability to shred paper, CD's, DVD's, audio and video cassettes, I.D. badges, floppy disks and much more!

XC-100 DISINTEGRATOR

This machine features separate compartments for the destruction of paper or other media and a state of the art control panel which makes this disintegrator safe and easy to operate. Dahle North America's XC-100 Disintegrator has been evaluated by NSA and meets the requirements of NSA/CSS Specification 02-02 for High Security Disintegrators.
