### **Company Information:**

Recent events have made shredding confidential information a necessity. Documents found in the trash are not legally protected so they're fair game to individuals looking to find out more information about you and your business. That's where Dahle comes in. Manufactured in Germany by Dahle Bürotechnik GmbH, Dahle is internationally recognized for using the latest technology and finest materials to build commercial grade products. With over 75 years experience, Dahle shredders meet the strictest guidelines for personal safety. Our professional shredders feature solid cutting cylinders and rubber shock mounts to make them some of the quietest and most durable shredders on the market.

Dahle currently offers over 40 models of professional shredders in six size capabilities. As an endorsed business partner of ISDA, Dahle offers special pricing and promotions to ISDA members.

### **Pricing:**

Shredders are available at ISDA discounted pricing
